

SANTA Float

STONE HORSE 2ND DECEMBER 5PM – 8PM

Santa will visit as many streets as possible within the allotted time, but unfortunately, he won't be able to visit every street. If you miss him, you can catch him at Station 92's open house on December 20th!

A close-up portrait of Santa Claus, an older man with a long, flowing white beard and round glasses. He is wearing a traditional red Santa suit with a white fur trim on the collar and cuffs. His red hat with a white pom-pom is also visible. He is looking directly at the camera with a gentle, smiling expression. The background is a dark, teal-green color, adorned with numerous small, bright yellow stars that appear to be falling or twinkling. At the bottom of the frame, there are festive decorations including green pine branches, red holly leaves, and several large, shiny red Christmas ornaments.
